Campus	Brooklyn Campus
Degree	Master of Science
Program	Computer Science
Term	Fall 2014

Dear Michael,

It is my pleasure to offer you admission for the Master of Science degree in Computer Science at NYU Polytechnic School of Engineering. Your admission is contingent on the submission of official transcripts which must be sent by the academic institution(s) you attended. If you have not already done so, please request that official copies of your academic record be sent to our office or you will not be permitted to register for your program.
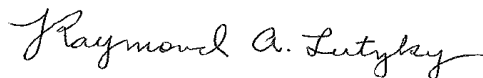

This is an exciting time to be joining the NYU Polytechnic School of Engineering, the second oldest private engineering school in the United States. You and your future classmates have demonstrated the academic accomplishments and leadership potential that will support your success in our graduate programs, which have been a hallmark of NYU School of Engineering for more than 110 years. The Graduate Admissions Committee is confident you are well prepared to make significant contributions to your field through our rigorous graduate program.

As an NYU Polytechnic School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- **Our world-class faculty, engaged in cutting edge research at the boundaries between disciplines. The incorporation of research into classroom teaching fosters a dynamic environment where students and faculty share a passion for the creation and execution of world class research and projects with global impact.**

- **A rigorous graduate curriculum that will develop your technical knowledge and introduce you to latest developments in your area of specialty, preparing you for leadership positions in your career.**

- **A diverse environment for worldwide academic collaboration. New York University is a global network university with portal campuses in multiple international academic centers. You will have the opportunity to work with students and faculty from around the world.**

Additional information regarding the requirements that apply to this offer follow in the enclosed pages. To accept this offer, please make a non-refundable tuition deposit of $300 within 30 days of 5/8/2014 . Michael, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to our community of scholars, researchers and professionals. Welcome to NYU Polytechnic School of Engineering.

Sincerely,

Raymond A. Lutzky

Michael   Ohr
University ID: N14338106
Term: Fall 2014
Program: Computer Science

Dear Michael,

NYU Polytechnic School of Engineering is pleased to offer you a Graduate scholarship of $8000 for the Fall 2014 and

the Spring 2015 semesters. This is a merit-based scholarship which is awarded based on your academic

achievements.

- **Period:** Two semesters, Fall 2014 and Spring 2015, subject to renewal terms below. Summer and winter sessions are not included.

- **Award Disbursement:** A scholarship of $4000 per semester.

- **Renewal:** A cumulative graduate school GPA of 3.33 or higher is required to continue the scholarship for the duration of your graduate studies. In addition, you must earn a minimum of 80% of your attempted credits for the duration of your graduate program.

- **Other terms:** You must maintain full-time student status at NYU Polytechnic School of Engineering. This requires that you must register for a minimum of 9 credits each semester.

Please note that because we have a waiting list of students for this award, we request that you let us know of your decision by submitting the nonrefundable $300 graduate tuition deposit within 30 days of 5/8/2014 .

I congratulate you on your superior academic achievements, and I look forward to welcoming you as a graduate student at NYU Polytechnic School of Engineering.

Sincerely,

Raymond A. Lutzky
